

REMARKS

Claims 1, 4, 5, 7 to 19, 24, 25, 29 to 37, 39, 40, and 70 to 84 are now pending in the above-referenced application and are submitted for the Examiner's reconsideration.

The present Office Action of January 4, 2005 indicated that Applicants reply of October 29, 2004 was not fully responsive to the prior Office Action because a complete listing of the claims was not provided as required under 37 C.F.R. § 1.121. In particular, the present Office Action indicated that previously presented claim 74 was missing. In response, Applicants provide herewith a complete listing of claims, including previously presented claim 74. It is therefore respectfully submitted that 37 C.F.R. § 1.121 has been fully complied with.

The present invention is new, non-obvious, and useful. Reconsideration and allowance of the claims are respectfully requested.

Respectfully submitted,

KENYON & KENYON
